Reviews

These sorts of book is the greatest book offered. This can be for all those who statte that there had not been a really worth reading. I am just quickly could get a pleasure of reading a written ebook.

(Verner Goyette DDS)

BLOOD ON MY HANDS: A HAEMATOLOGICAL ODYSSEY (PAPERBACK)**DOWNLOAD**

Lulu.com, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is a story of a young doctor who decided to specialise in a discipline, haematology, which did not exist at that time in the NHS. This book describes the difficulty he had in establishing this speciality in Leeds against a myriad of social and political changes over 50 years. There were several interwoven narratives: my training, undergraduate and post graduate; a description of hospital life from the 1950 s to the 1990 s, and politics both local and national which affected planning and the development of specialties within the hospital. Finally over this time there were a series of momentous developments in biological and medical sciences all of which conspired to make haematology one of the most exciting specialities in the whole of medicine.
