Reviews

This is the very best publication i actually have read until now. It really is packed with knowledge and wisdom I am happy to let you know that this is the very best publication i actually have read in my very own existence and could be he greatest pdf for ever.
(Dr. Nelda Schuppe)

SPIRIT WHIRLED: THE DEAF PHOENICIANS (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is crafted to take you from the consciousness of Nine and restore it to the consciousness of Three. The so-called Truth Movement has degenerated over the last decade. What started as an unbelievable surge of conscious solutions to today's slavery paradigm has devolved into a collective of people with negative knowledge, leading millions of others further astray with their theories and religious beliefs. Every time humanity is given an opportunity to break the hexes that sustain its condition of slavery, an astounding gaggle of unbegun fools takes to the Internet and uses their platforms to capitalize from the chaos. Very few of them have done the Great Work. Once these disinformation wraiths amass a following, their voices become the only ones heard. But here we are, decades later, and you're still a civilly dead entity under the rule of the Roman Cult living in a construct that is nothing more than a legal fiction corpse. The Truth Movement might as well have not occurred. This work was only made to save the real torchbearers of Truth thousands of units worth of spiritual currency so that they may get to the root of the causal factors that manifest humanity's current condition, and then use that knowledge to take action in unison with the Will of Creation. Most of you are beginning to lose everything. You know something is wrong, but you cannot quite figure it out. It feels good to blame the government, the politicians, the religions, the order-followers, the bankers, and the rest of these guttersnipe sorcerers in cults of media, science, academia, and healthcare. But after you've spent your emotions on them, you find...
