An Analysis of Five Thousand Cases of Skin Disease: With Remarks Upon Some of the Principal Groups and Cases (Classic Reprint) (Paperback)

By James C White

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from An Analysis of Five Thousand Cases of Skin Disease: With Remarks Upon Some of the Principal Groups and Cases The class of cases presenting themselves for treatment at the skin department of the Massachusetts General Hospital, represented below, is different in some respects from that found in some other dispensaries, as it is drawn from a wider district, patients coming to it from a large portion of New England. The relative preponderance of foreigners over natives is thereby considerably reduced, and the proportion of serious over trivial affections correspondingly increased, as the number of the latter seeking relief from a distance is naturally small. The nature of the cases, however, is as diverse as is usually presented in such lists, representing, as they do, such various relations of life for it is by no means the poor alone who avail themselves of the gratuitous advice of the department. Most notable differences, however, will be discovered in the character of the diseases by comparing the list below with those drawn from the private case-book of the dermatologist; the extremes being, on...
