ANIMALS LEVEL 1

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Animals/Los animales is Vol. 6 in a series of bilingual Spanish/English books for children. Each volume treats a different topic appealing to children. There are different levels for each volume targeted to different age groups. Level 1 is intended for infants to toddlers. Color photos and illustrations were carefully selected to captivate your child's interest. Words and sentences were judiciously chosen and crafted to facilitate learning for both age groups. Words are re-entered throughout the book to help your child feel a sense of accomplishment. It is suggested that only one language be read at a time. Start with the child's first or native language for several reading sessions, then introduce the second language. At no time should the two languages be read during the same session. This volume should be of interest to English speakers who want to teach their child(ren) Spanish as well as Spanish speakers who wish to teach their child(ren) English. In addition, speakers of other languages will find the book useful for teaching their child(ren) both Spanish and English. Offered here are bilingual print books and bilingual ebooks that are suitable for the bilingual education of young people. These bilingual print books for children and the bilingual ebooks for children can play a major role in any bilingual or ESL education program for children. There are four levels for each topic or title making it easier for ESL or bilingual children to progress from one level to the next. Level 1 is for infants and toddlers and would be primarily read by parents to their young children. Level 2 is for toddlers and pre-schoolers and could be used by parents for...
