### ***Reviews***

*Without doubt, this is actually the greatest function by any article writer. It is among the most amazing publication i have got read. Its been printed in an exceedingly basic way in fact it is simply after i finished reading through this publication where in fact changed me, change the way i believe.*

## BANKING REBOOTED (PAPERBACK)

Searching Finance Ltd, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Becoming a Digital Bank is a bit like asking for directions. The awkward answer is that we would not start from here. Unfortunately, here is where we are. Where is here ? Here is where most of the deposit account systems are. Systems that were built before the Internet became part of our lives, but now we have the mobile Internet showing that all of these systems need renovation to cope with the demands of this digital age. Many deposit account systems were built on a raft of ancient codes, lacking a cohesive technical architecture. They are a collection of software packages running on a variety of releases, all with localised codes across the enterprise. Few systems are ever turned off in case something breaks, and it has led to the attitude of if it isn't broken, don't fix it. Here is where we are challenged by change, and specifically the changes required for regulations. Virtually the entire Know Your Customer (KYC), Anti-Money Laundering (AML) and related bank regulations around clients have become law in the last five years. Add to this the new Basel III rules, with its emphasis on liquidity, and the increasing requirements for capital ratios, and intra-day balance movements become a core part of running a bank. This increases the costs of keeping and moving cash-like securities at light speed, and further highlights the need to digitise the enterprise. Having an industrial age workflow approaching 100 Straight Through Processing (STP) is good, but not good enough This book aims to show how adapting to the digital age is not only a priority, but is the only thing that will be sustainable for a...
