

The Outlaw Years: The History of the Land Pirates of the Natchez Trace (New edition)

By Robert M. Coates

Pelican Publishing Co. Paperback. Book Condition: new. BRAND NEW, The Outlaw Years: The History of the Land Pirates of the Natchez Trace (New edition), Robert M. Coates, The years just before 1880 until about 1885 are considered the 'outlaw years'. Lawlessness developed a law of its own and planned an empire. Operating along the Natchez Trace, an overland trading and postal-rider route that in places was barely a trail, the outlaws preyed upon the traffic along this line. Their plans were laid in the dives under the bluffs of the river towns -- Natchez and Vicksburg and as far south as New Orleans. One gang of outlaws under John Murrell even threatened national stability for a time in his plot to steal slaves and organise insurrection, in order to disorganise the government and establish his own state.

Reviews

This publication will never be effortless to get started on reading through but very fun to read. It is actually loaded with knowledge and wisdom You will not truly feel monotony at anytime of the time (that's what catalogues are for about in the event you check with me).

-- **Marlin Bergstrom**

It in a single of my favorite pdf. Yes, it is engage in, still an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.
