Dodo Press, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A true story of a life I give you; not in its completion, for it is still unfinished. The romance of youth has lingered through all the later years and the tragedy of these years could not destroy it. In the manuscript tears have fallen on some pages, smiles on others, and still others have been scorched with the fire of indignation. Why is it written? To bear testimony to the love and devotion of a noble woman; to set straight before the world certain matters now misunderstood; to give evidence of the insincerity of friendship that comes to one in prosperity only to vanish in adversity; and also, in the hope that an appreciative public will buy the book.
