

## When Animals and Folklore Run the Asylum (Paperback)

By Michael DeBenedictis

Lulu Press, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This compilation of short stories is a collection of narratives about the inner thoughts and inner workings of animals and folklore in our daily lives; what we see and what we don't. It's the other side of the perspective that impacts us equally, presented without our own perceptions that would only blur their purity. This compilation of poems is a collection of poetic translation of the analysis of the world around us; the inner workings of things in the external world and within ourselves from where we pull our own inspiration. The intention of this book is to make animals, folklore, and the imaginative spirit the main character of study, and to leave aside - for once - the perspective that is far too common to us to ever be challenged anymore, from mere repetition; our own.
