Ebury Publishing, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. Be Like Bill is not only the biggest internet sensation of 2016 but he s also the smartest too. He understands what it takes to remain polite and civil in a world where people think it s ok to post photos of themselves sporting a silly duck face on Instagram, that not using their indicators while driving is acceptable and spending more time on their smartphones than talking to their partner is the right thing to do. Bill has observed a lot of things about the modern world and through his Be Like Bill Facebook page (OfficialBLB) he s been setting an example to millions of fans of how they might like to reconsider some of their behaviour, using his own unique humour. And now, he s brought his very best and funniest memes together to make his own pocket-sized guide to modern life - much of which has never been seen before. Read his book and be like Bill.
