Braun Haus Media, LLC. Paperback. Condition: New. 196 pages. Dimensions: 8.0in. x 5.2in. x 0.5in. Linger is an utterly bone-chilling, compulsive read that will grip you by the throat from the very first page. One of the scariest stories I've read in a long, long time. You don't want to miss this captivating new series! Tess Gerritsen, New York Times Bestselling Author of the Rizzoli and Isles series *THEY SEE WHAT NO ONE ELSE SEES*. Every crime scene has a smell. A look. A trail of DNA. It also has a feel. An emotional residue that lingers. . . floating unseen, like bacteria in the air, just waiting to be absorbed. To be experienced. To be interpreted. And only the man and boy know this. Veteran major crimes detective Kate Messenger has a problem on her hands: six bodies--father, mother, three children and the family dog--all slaughtered in their own home, with not a single clue or a shred of DNA that points to the butcher who killed them. But late one night, as she's visiting what the newspapers have dubbed the House of Pain, Kate finds a couple of intruders at her crime scene: a man and a young blind boy who have no real explanation for their presence there. In the hours that follow, Kate will discover that this is no ordinary boy--not by a long shot--and his ability to read that lingering residue left by the killer and his victims will not only open some old and very tender wounds, but might help Kate find a killer who has been watching her every move. . . This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
