

## Essentials of 16PF Assessment

By Heather E. P. Cattell, James M. Schuerger

John Wiley Sons Inc, United States, 2003. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book. Complete coverage of the widely used 16PF?? measure of personality Essentials of 16PF?? Assessment is a valuable guide to administering, scoring, and interpreting this popular measure of normal personality. Using the proven Essentials format, Cattell and Schuerger clearly describe how to use the instrument; provide critical information about its validity and reliability; and include helpful guidelines for using the instrument effectively with individuals, couples, and families, in settings ranging from clinical and forensic to corporate environments and other workplaces. Essentials of 16PF?? Assessment provides comprehensive coverage of test administration, scoring, and interpretation. As well, this informative resource provides expert assessment of the method s relative strengths and weaknesses, valuable advice on its clinical applications, and illuminating sample cases. Like all the volumes in the Essentials of Psychological Assessment series, this book is designed to help busy professionals quickly acquire the knowledge and skills they need to make optimal use of a major psychological assessment instrument. Each concise chapter features numerous callout boxes highlighting key concepts, bulleted points, and extensive illustrative material, as well as test questions that help...

### Reviews

*The most effective publication i ever study. I am quite late in start reading this one, but better then never. You wont sense monotony at whenever you want of your time (that's what catalogs are for concerning in the event you ask me).*

-- Prof. Erin Larson I

*A must buy book if you need to adding benefit. It is actually writter in basic phrases and never difficult to understand. I found out this book from my dad and i advised this publication to find out.*

-- Miss Camila Schuppe III
