Mascot Books, 2017. Hardback. Condition: New. Language: English . Brand New Book. Spirit of Engineering is the story of two freshmen in a college of engineering who want to understand what engineering is in simple terms. After coming across the works of the Wright Brothers, they travel to Dayton, Ohio, for the journey of a lifetime. They meet with an experienced engineer who helps them unravel the true nature of engineering. When they return to campus, they apply their new knowledge and skills to solve the long-standing engineering problems of their Baja racecar, realizing that real engineering is both challenging and exhilarating.
