Excerpt: .this key to the entire working library has been treated as a decorative screen in character with the colossal wall and ceiling treatment of the apartment, giving scale to the whole, is an example of the resourcefulness of the architects. Any isolated treatment of this feature would only have called attention to an unfortunate practical condition of the problem and would have been an acknowledgment by the architects of their inability to handle it satisfactorily from an architectural standpoint. Moreover, the location of the delivery desk across the middle of the room places it in the only position from which the library attendants are able conveniently to serve and oversee every part of the room. The galleries around its perimeter serve also as vantage points for the library attendants, while the space under the overhang is utilized to accommodate many thousands of reference volumes...
