Documentation of Accounting Policies and Procedures (repeat Recommendation) In our previous management letter, we recommended that, in order to minimize the risk of operational hardships in the event of the unexpected absence of certain employees, consideration be given to the formal documentation of accounting and administrative procedures and to the cross-training of employees in the performance of key accounting functions. The New Hampshire Government Finance Officers Association and State of New Hampshire Department of Revenue Administration have just completed an accounting policies and procedures manual for all New Hampshire cities and towns, which should assist in implementing this recommendation.
