

## God s Debris: A Thought Experiment (Paperback)

By Scott Adams

Andrews McMeel Publishing, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Explore the mysteries and magic of the cosmos with the acclaimed creator of Dilbert. God s Debris is the first non-Dilbert, non-humor book by best-selling author Scott Adams. Adams describes God s Debris as a thought experiment wrapped in a story. It s designed to make your brain spin around inside your skull. Imagine thatA you meet a very old man whoa you eventually realizea knows literally everything. Imagine that he explains for you the great mysteries of life: quantum physics, evolution, God, gravity, light psychic phenomenon, and probabilitya in a way so simple, so novel, and so compelling that it all fits together and makes perfect sense. What does it feel like to suddenly understand everything? You may not find the final answer to the big question, but God s Debris might provide the most compelling vision of reality you will ever read. The thought experiment is this: Try to figure out what s wrong with the old man s explanation of reality. Share the book with your smart friends, then discuss it later while enjoying a beverage. It has...

### Reviews

*A whole new eBook with a new standpoint. Better than never, though i am quite late in start reading this one. I discovered this publication from my i and dad advised this publication to discover.*

-- **Meredith Hoppe**

*This book will never be easy to start on looking at but quite entertaining to read. It is actually packed with wisdom and knowledge It is extremely difficult to leave it before concluding, once you begin to read the book.*
