When Derric Moore became deathly ill due to the debilitating dis-ease lupus, the last thing he wanted to do, was to accept that it was God s will. He needed something new and he needed something fast! So he appealed to God for help, and his ancestors and guardian spirits responded by giving him a spiritual system based upon Ancient Egyptian (Kamitic) theology and Afro-spiritual practices, which he used to improve his health. In this practical guide that approaches Kamitic philosophy from a shamanistic perspective, you ll learn how: -To tap into the Power of God within you - How to effectively pray and get your prayers answered - How we subconsciously make our bodies ill, but with a little effort can improve our overall health - How to change your dreams - Foretell the future through divination - Build sacred space to attract positive influences into your life - And, much, much more.
