Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Report of Committee on Pathology and Surgery But where from neglect, or any cause, the supply has been so long prohibited from entering the territories of soft parts or bones, that death (necrosis) has actually already ensued, we need not despair of success most marvellous and complete, if we are only humble and earnest enough to observe the law and effect the work indicated by kind nature s lead. That is, remove the dead and dying territories, and encourage, by judicious support, the disconsolate, mangled neighborhood from which they were forced, until a fresh colony of cells can be induced to occupy the ground so perfectly, as to defy minutest survey to detect that they. Were not the very original cells and lineal descendants which primarily occupied that territory. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
