Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from *Pacific Coast Avifauna, Vol. 4: Birds of the Huachuca Mountains, Arizona* The Huachuca Mountains are a range which have been pretty thoroughly explored by investigators in various branches of natural history, but of which there has been but little published, at least of ornithological interest. A few scattered notes recording the occurrence of various rarities in that region, and some more or less carefully detailed accounts of the breeding habits of the most interesting and conspicuous species of birds inhabiting the mountains are about all that have appeared, but nothing of a general character; and as in the course of several seasons careful work in the mountains many interesting and surprising facts in distribution, migrations, etc., of various species were being continually encountered, which, while they may be familiar to the naturalists who have visited the range, are probably unknown to ornithologists in general, I have been induced to embody the results of my labors in the following pages. The list of residents and summer visitants I believe to be fairly complete, but as stray individuals of many surprising and more or less unexpected species have turned up in the region on various occasions it is but fair to suppose that additional species of this class will have to be added to this list in the future, and it is possible that there are some that I failed to meet with occurring regularly during the fall migration, of which I saw but very little. Though considerable work was done along the valley of the San Pedro River, but a few miles distant, and a number of birds found there not occurring in the Huachucas, I have preferred to limit...
