The Monthly Weather Review contains contributions from the research staff of the Weather Bureau and also special contributions of a general character in any branch of meteorology and climatology. Supplements to the Monthly Weather Review are published from time to time. The climatological service of the Weather Bureau is maintained in all its essential features, but its publications, so far as they relate to purely local conditions, are incorporated in the monthly reports Climatological Data for the respective States, Territories, and colonies. These are listed on page 3 of the cover . Since August, 1915, the material for the Monthly Weather Review has...
