A sure foundation found only in Jesus Christ emerges. This book will answer the question - What does the Bible say about Mormon doctrine? Why can the Bible be trusted? What does the the Bible teach about prophets and prophecy? What does it say about priesthood and temples? Who is the God of the Bible? What is the Trinity? What are covenants? What is the difference between law and grace? What does the Bible teach about the Church? Most important of all - What is the Biblical plan of salvation? Are you carrying a Bible around and don t really know what it says about these doctrines? If you read this you will realize that you may already have the pearl of greatest price and not even realize it. Do you really know the truth?.
