She always thought that it was someone else s problem or something she couldn t control. Now she was in the midst of it and there really was nothing she could do about it. Would she ever escape this modern day slavery? How could some person enforce so much torture on another human being? All she could do was cry out to God in hope that He would answer. Captured into prostitution, Joslyn Dann has a choice to make. Will she give into the wishes of her captors or will she continue to fight their torture methods? Before her captivity she firmly believed and trusted in the love and power of Jesus Christ, but the trials of her new life threaten to destroy her faith. Will she be able to stand against the repeated attacks of the Devil? Can someone rescue her before the fight is gone?.
