Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A collection of humorous personal stories.not for the ill-tempered ! This is the author s diary of her cantankerous family.Hubs, kids and grand-kids.funny work folk.even funnier neighbors and community whatnots. .situations and people that make her say Oh, hell no!?! a lot.and stuff you just can t make up! Life is a funny adventure and the author enjoys turning over a new stone every day and trying to find a way to put it all in writing. If you like to read the honest to goodness truth.you will have a great read in this book. If you re the perfect picker outer of proper English, punctuation and find criticism with the grits you prepared this morning.move on Shuga, cause I m pretty sure you don t eat grits, haven t got a Southern hair on your head (not that it matters), and probably won t like this collection of stories. Like she has said before I m one of those front porch crazies, that your mamma warned you about, with some Southern comfort in hand of course! Cheers Y all and enjoy!.
