The Perseus Books Group. Paperback. Book Condition: new. BRAND NEW, We Who Dared to Say No to War: American Antiwar Writing from 1812 to Now - Liberals Who Have Opposed America's Wars, Murray Polner, Thomas E. Woods, We Who Dared to Say No to War uncovers some of the forgotten but compelling body of work from the American antiwar tradition-speeches, articles, poetry, book excerpts, political cartoons, and more-from people throughout our history who have opposed war. Beginning with the War of 1812, these selections cover every major American war up to the present and come from both the left and the right, from religious and secular viewpoints. There are many surprises, including a forgotten letter from a Christian theologian urging Confederate President Jefferson Davis to exempt Christians from the draft and a speech by Abraham Lincoln opposing the 1848 Mexican War. Among others, Daniel Webster, Mark Twain, Andrew Carnegie, Grover Cleveland, Eugene Debs, Robert Taft, Paul Craig Roberts, Patrick Buchanan, and Country Joe and the Fish make an appearance. This first-ever anthology of American antiwar writing offers the full range of the subjects richness and variety.
