Julius and his pals must go to the far-off and strange land of Britain to win over the crowds of Hadrian's empire. But this will be no happy-go-lucky holiday. Instead of packing buckets and spades, our stripy hero and his friends will need all their wits about them if they're going to survive their most wild and rebellious gladiatorial opponents yet - the Britons! With a guide to Roman numerals and a fun, factual glossary in the back pages, this is a fast-paced, funny and utterly bonkers introduction to all things Roman Britain.
