Telemedicine Technologies: Information Technologies in Medicine and Telehealth

By Bernard Fong, A. C. M. Fong, C. K. Li

John Wiley and Sons Ltd. Hardback. Book Condition: new. BRAND NEW, Telemedicine Technologies: Information Technologies in Medicine and Telehealth, Bernard Fong, A. C. M. Fong, C. K. Li, This book brings together a broad range of topics demonstrating how information and wireless technologies can be used in healthcare. In this book, the authors focus on how medical information can be reliably transmitted through wireless communication networks. It explains how they can be optimized to carry medical information in various situations by utilizing readily available traditional wireless local area network (WLAN) and broadband wireless access (BWA) systems. In addition, the authors discuss consumer healthcare technology, which is becoming more popular as reduction in manufacturing cost of electronics products makes healthcare products more affordable to the general public. Finally, the book explores topics such as communication networks and services, patient monitoring, information processing, system deployment, data security and privacy, information technology in alternative medicine, multimedia and health informatics, and caring for the community. Key Features : Focuses on the transmission of medical information over wireless communication networks, and addresses topics such as communication networks and services, patient monitoring, information processing, system deployment, data security and privacy, and many others. Provides an in-depth...
