

McColl's Gates: The Covehill Ladies (Paperback)

By Mary Anne Loneragan

AUTHORHOUSE, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.McColl's Gates is the first of the four series of each of the Covehill Ladies lives and their adventures. In the first of the four series, Jennifer Anne McColl was a young orphan, at the tender age of 8 years old, her grandfather put her into Covehill Boarding School. It was there that she met three friends, forming a close, and long lasting friendship. Each of the four girls graduated Covehill and all went their separate ways to begin their adventure. Read how Jennifer became an instant millionaire, falling in love with her wild Irish neighbour Robert, whose brother has connections with the Irish mafia. With Robert sitting somewhere in jail, who will save Jennifer from a black bear attack? My plan is to take the readers on trips around the world, following the Covehill Ladies as each of their lives begin to unfold in this world of love, adventure, and mystery.
