Pen & Sword Books Ltd. Hardback. Book Condition: new. BRAND NEW, Me and My MG: Stories from MG Owners Around the World, Gordon Thorburn, Read about the Berkshire restorer who saw a heap of old iron in the bushes and realised it used to be a 1926 bullnose Super Sports, and the seven year old boy in Norfolk, Virginia, who read a book called The Red Car and knew that, one day, he would have to have a TC, and the Dutch boy who saw an MGB on his way to school and knew something similar. There's the French boy aged nine whose nanan gave him a model kit to assemble, and the USAF fighter pilot who saw his first MG in Britain during the war and was in love for ever. A Canadian took 32 years to restore his TA, while a Swiss professor installed space-ship electronics in his TD. An aeronautical engineer was left some money and bought a 1929 18/80 Tourer that he thought had been restored. An Australian 17-year old happened across a second-hand MGB, was done for speeding and lived happily ever after. A Swedish boy walked out one Sunday morning into the middle of an MG rally. Each of these, and many more, has a story. All the stories are different, but the story tellers have something in common. They would all rather love - and sometimes despair of - a wonderful vehicle with faults in its character, than have no feelings about one that has no character at all.
