WestBowPress. Paperback. Condition: New. 138 pages. Dimensions: 8.0in. x 5.0in. x 0.3in. Just as the head of state is the only one that matters in a state, this book introduces the only person that matters in life. To have a relationship with people that matter, you must have something to offer. For example, you may not be allowed to see the president unless you matter. However, this book explains that a relationship with this person requires nothing from you but your willingness. If a relationship is to thrive, it will solely depend on the mutual understanding of those involved. This book paints the picture of this person in a closer look than the long distance beliefs. It is never just enough to start a relationship, but keeping and sustaining it is the key. In this book, you will learn how to keep and sustain a relationship with this person. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
