

The State of the Constitution --2017: Cases, Events and People That Shaped the Constitution from 2000 to 2016 (Paperback)

Filesize: 4.03 MB

Reviews

The ideal ebook i actually read through. It really is writter in simple words and phrases and not confusing. Its been written in an remarkably simple way and it is just after i finished reading this ebook where in fact modified me, affect the way i think.
(Alice Cremin)

THE STATE OF THE CONSTITUTION--2017: CASES, EVENTS AND PEOPLE THAT SHAPED THE CONSTITUTION FROM 2000 TO 2016 (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The State of the Constitution-2017 is a compilation of seventeen editions of the newsletter, Constitutional Law Updates (from 2001-2017). These writings contain lucid, concise and insightful analysis of the primary cases and events that have shaped the Constitution in the last sixteen years-from the Supreme Court case in 2000 that stopped the Florida recounts and resulted in the election of George W. Bush as President to the tumultuous and volatile campaign in 2016 that resulted in the election of Donald J. Trump as President, although he lost the popular vote by 2 million votes. This book will be a valuable resource book for elected officials, historians, Constitutional scholars and informed citizens. These writings were initially written to supplement the text, The State of the Constitution (2002), but the value of these essays, commentaries and opinion pieces warrants the publication of this book as a stand-alone volume. Those who love the Constitution will cherish this book and will find it a valuable resource in addressing many of the important moral, legal and political issues that continue to shape the political debates today in America. This is a valuable resource book for elected officials at all levels and for those intending to run for political office. This commentary and analysis helps the average citizen to understand the key issues that have been resolved for better or for worse as the Supreme Court, Congress and Presidents have made laws and established policies. For example, it is not enough to merely state an opinion that the case Citizens United was decided correctly by the Supreme Court. The section in this book that analyzes that opinion explains that the Court properly struck down that part of...
