Most are completely original ambiguous optical illusions, and others are inspired in some way by classical illusions. All are drawn in Tricks quirky and whimsical style. All illustrations can be seen in more than one way. The images were drawn with varying complexities, so if you are looking for a challenge you can choose a more intricate drawing with lots of nooks to color, or if you are looking for something quick or easy, a more simplistic page would be the way to go. Each illustration has been duplicated for a total of 50 coloring pages (duplicates in the back of the book), giving you a chance at a do-over or to color a different view of the same artwork. Coloring pages are single-sided to minimize bleed-through and scoring and have large margins for access to the entire image and ease of cutting out for framing. Images printed on 60lb pure white paper. High-quality colored pencils suggested for the best results.
