Skyhorse Publishing, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. With this nuts-and-bolts guide, both savvy and novice investors can discover the secrets to profiting from personal and corporate debt, including municipal tax liens, defaulted credit card debt, discount promissory notes, mortgage foreclosures, and micro loans. Anyone can participate in these investments, but not all of these options are as easy as calling a broker -- they require some legwork and research -- so many of these opportunities often go untapped. While there are many books on alternative investment ideas, none provide this level of practical information and advice. How To Invest in Debt provides everything readers need to capitalize on these investments. Readers will discover: How to find and purchase debt at a deep discount How to do effective due diligence and pick the ones that are most likely to pay off How to collect debt, and the secrets to making short-term high interest loans Buying future streams of cash flow Overcoming what could go wrong before it happens And much more. Dozens of charts, table, forms, spreadsheets, and diagrams empower readers to get started right away, with all the tools they will need to collect and analyze data, and pursue the most profitable opportunities. How To Invest in Debt shows that if you re willing to do the work, you can profit from debt.
