

The Flatey Enigma

By Viktor Arnar Ingolfsson

BRILLIANCE AUDIO, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Near a deserted island off the western coast of Iceland in 1960, the dawning of spring brings new life for the local wildlife. But for the body discovered by three seal hunters, winter is a matter of permanence. After it is found to be a missing Danish cryptographer, the ensuing investigation uncovers a mysterious link between the researcher and a medieval manuscript known as The Book of Flatey. Before long another body is found on the tiny island. This time, in the ancient Viking tradition, the victim's back has been mutilated with the so-called blood eagle. Kjartan, the district magistrate's representative sent to investigate the crime, soon finds himself descending into a dark, dangerous world of ancient legends, symbolism, and secret societies to find a killer. Nominated for the prestigious Glass Key award for Nordic crime fiction, The Flatey Enigma will keep you guessing until Kjartan has cracked the code.

Reviews

A superior quality book along with the font employed was exciting to see. It is one of the most amazing books I have ever read through. You won't really feel monotony at anytime of the time (that's what catalogs are for about in the event you ask me).

-- **Santina Sanford**

This ebook might be worth a read, and superior to other. It is probably the most amazing publication we have read. Your lifestyle period will likely be transformed once you take a look over this publication.
