Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is about someone living with autism and how he struggled with his own inner darkness to find the light. During Aaron s childhood, he felt as though he were living inside someone else s body. His path to escaping the darkness began when his mother decided to step out of the box and go with her maternal instincts. Patience, perseverance and faith were the keys to unlocking the door and stepping into the light. In addition, this book is a perfect resource for parents, students and educators wanting to understand the umbrella term of autism . It examines other disorders having autistic traits, such as Asperger syndrome, pervasive developmental disorder and childhood disintegration disorder. Furthermore, this book explores the possible causes of autism such as childhood vaccinations and hereditary factors.
