HOW TO GET YOUR KID OFF DRUGS (PAPERBACK)

Solutions of North Texas, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I wrote this book for those family members or close friends of an addict who are consumed with trying to keep their loved one alive. I will tell you exactly what to do and how to do it. My name is Scott Wisenbaker and I have been clean and sober since March 20, 1995. For years, I struggled with addictions that included alcohol, marijuana, cocaine, and methamphetamines. As a result, I was arrested many times from 1982 to 1995. In 1995, I sat in the Dallas County Court holding tank for the very last time. After years of losing everything I held dear, I was finally brought to my knees inside the jail just a month earlier when I realized I would never be free if I continued in my addiction. So why would you listen to anything I have to say? I understand the mind of an addict and have successfully helped thousands take control of their addiction and return to being productive members of their families and society.
