SNOOKER SECRETS: THE APPROACH-LINE POTTING SYSTEM (PAPERBACK)

Lulu.com, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The aim of this book is to provide you with a simple and easy to use potting system that you can learn quickly and see immediate results. At the core of this system are unknown secrets about visualising and lining up a shot that will make potting, and indeed the whole game of Snooker, seem simple. Once this system has been fully understood and implemented, you will not only discover you can now pot with ease, but you will also be potting with exceptional consistency and accuracy. This system has been proven to work 100 of the time having been tested on a diverse range of players (from typical club players to professionals). Very few players have come across these unknown secrets because this is the first time it has ever been publicly disclosed; until now it has only been taught in part and in-person by former professional Snooker coach and guru Roy Chisholm.
