MANIFESTATION PATHWAYS: LETTING YOUR GOOD BE THERE. WHEN YOU GET THERE! (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Do you know that each time you ask for something, no matter what it may be, there exists an infinite number of pathways through which it can come into your life? And do you know that since there are infinite pathways to your good, things are always yours in the moment you ask for them, with no exceptions? Once you understand and apply this Universal truth in your own life, then all fears and uncertainties surrounding your manifestations melt away. The question becomes not whether something will eventually happen in your life, but when it will happen. Manifestations become as simple as knowing what you want, planting it into your future reality and letting your good be there when you get there! The key to fast and effective manifestations then involves the simple steps of (1) identifying, and (2) traversing one of these manifestation pathways that may initially be invisible to us. As Richard puts it, the biggest cause of delayed manifestations comes from stubbornly insisting that our good is delivered to us through a particular channel or method. Because of our continued insistence on a single...
