Reviews

A fresh electronic book with a new viewpoint. I was able to comprehend every thing using this written e pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Zephyr Press (AZ), United States, 2013. Paperback. Book Condition: New. Bilingual. 201 x 147 mm. Language: English,Chinese . Brand New Book. Subtle and compelling, Bai Hua is among the best in contemporary Chinese poetry. --David Der-wei Wang, Harvard University Fish Unfathomable, the fish can't sing swimming from silence to silence It needs things, it needs to speak but it stares blindly at a stone The strength of endurance is too precise Senility urges it to walk the road of kindness What is it? Image of a people or an act of soundless immersion? The face of grievance veers toward shadow the silence of death toward error Born as metaphor to clarify a fact: the throat where ambiguous pain begins Considered the central literary figure of the post-Obscure (post- Misty) poetry movement during the 1980s, Bai Hua was born in Chongqing, China, in 1956. After graduating from Guangzhou Foreign Language Institute, he taught at various universities before working as an independent writer. His first collection of poems, Expression (1988), found immediate critical acclaim. A highly demanding writer, Bai Hua has a small but selective poetic output: between the mid- 80s and 2007 Bai Hua wrote fewer than one hundred poems, most of which continue to command a large audience across China. After a silence of more than a decade, he began writing again in 2007. This bilingual selection is a comprehensive overview of Bai Hua's writing career.Fiona Sze-Lorrain writes and translates in French, English, and Chinese. Her recent work includes Water the Moon (Marick Press, 2010). Co-director of Vif Editions and one of the editors at Cerise Press, she is also a zheng concertist.
