Reviews

This written publication is fantastic. I am quite late in start reading this one, but better then never. You will not feel monotony at at any time of your respective time (that's what catalogues are for concerning should you ask me).

(Tevin McClure)

BERNESE MOUNTAIN DOG: THE ESSENTIAL GUIDE FOR THE BERNESE MOUNTAIN DOG LOVER

TFH PUBLICATIONS, 2012. Spiral bound. Condition: New. Language: English . Brand New Book. Ranking #39 in dog registrations by the American Kennel Club (AKC), the Bernese Mountain Dog was developed as a farm and draft dog. But the Berner's outgoing personality is one of the most-loved aspects of the breed. Once this affectionate, playful, and gentle canine bonds with his person or family, he will do anything to make them feel secure and happy. Along with complete coverage of breed-specific care, this comprehensive guide will cover all the activities this versatile working dog would enjoy participating in with you, including conformation, obedience, carting, agility, tracking, herding, and therapy work--or just a long, lumbering walk that ends with a big Berner hug.
