Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Hippolytus and the Bacchae By Euripides Translated by Gilbert Murray Ancient Greek Drama Euripides, the youngest of the trio of great Greek tragedians was born at Salamis in 480 B.C., on the day when the Greeks won their momentous naval victory there over the fleet of the Persians. The precise social status of his parents is not clear but he received a good education, was early distinguished as an athlete, and showed talent in painting and oratory. He was a fellow student of Pericles, and his dramas show the influence of the philosophical ideas of Anaxagoras and of Socrates, with whom he was personally intimate. Like Socrates, he was accused of impiety, and this, along with domestic infelicity, has been supposed to afford a motive for his withdrawal from Athens, first to Magnesia and later to the court of AnchelaUs in Macedonia where he died in 406 B.C. The first tragedy of Euripides was produced when he was about twenty-five, and he was several times a victor in the tragic contests. In spite of the antagonisms which he aroused and the criticisms which were hurled upon him in, for example, the comedies of Aristophanes, he attained a very great popularity; and Plutarch tells that those Athenians who were taken captive in the disastrous Sicilian expedition of 413 B.C. were offered freedom by their captors if they could recite from the works of Euripides. Of the hundred and twenty dramas ascribed to Euripides, there have come down to us complete eighteen tragedies and one satyric drama, Cyclops, beside numerous fragments.
