Brand New Book ***** Print on Demand *****.Excerpt from The Latter-Day Saints Millennial Star, Vol. 81: July 31, 1919 How important is the part that medicine plays in national welfare has been strikingly shown in the recent war. What ever may be the verdict of history on the diplomatic, political. Naval, military, and economic phases of the war, there will be no hesitation about the brilliant triumphs of curative and preventive medicine. These triumphs have been partly the result of the labors of their predecessors, partly the outcome of the re searches and investigations of contemporary workers, not only in the science and art of medicine, but also in the allied sciences of chemistry and physics and biology, but the victory was eventually assured by the thousands of trained workers who knew how to make full use of all the resources which these sciences had placed at their disposal. Medical men of different nationalities, sometimes of different races, reared under different educational and social systems, were able to co-operate in the common endeavor because they had all alike inherited the same traditions of rational medicine. Whether medicine ever becomes nationalized,...
