

The Impact of Religiosity on the Marketing of Religious Iconography

By Peter P Madrid Jr

Royal Premier Publishing, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This study attempts to establish, identify, and classify target markets for the purchase of religious iconography based on past purchasing behavior and other consumer social behaviors perceived as religious vices. This study also distinguishes the likelihood of future purchases of religious iconography for the study, demographics. The CAGS sample consisted of students from California State University, Long Beach (n = 494), and University of Arkansas, Fayetteville (n = 216). The student respondents completed a self-administered questionnaire during the period of September 2004 through June 2006. The study methodology introduces a multidimensional religiosity index as an improvement over past studies, which employed unidimensional religiosity measures. The study reports that the consumer marketing behaviors perceived as religious vices can be used to determine the likelihood of purchases of religious iconography. The implications of this study are that business enterprises can better identify target markets for religious iconography products using the multidimensional religiosity index. This study also allows marketing plans for religious iconography products to leverage the religiosity index data to produce new quantified cross-advertising fields. Additionally, new potential...
