*A brand new e book with a brand new standpoint. I have read through and that i am certain that i am going to gonna go through again once more in the future. Its been developed in an remarkably simple way in fact it is merely right after i finished reading through this book in which basically modified me, modify the way in my opinion.

BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. It's eighth grade now. And Parkland Middle School is in an uproar. Young readers all over the U.S. and internationally have read, discussed and loved Doug Wilhelm's *The Revealers*. This is the next chapter. It's about rumor-spreading and more a romantic triangle, a boy's secret, online creativity as well as cruelty, and an expanded cast of characters in a story you won't want to stop listening to. *True Shoes* is the author's 13th work of fiction for young adults. *True Shoes* gets into your heart and won't let go. It shows us the inner lives of real young people trying their best to look out for themselves and others in a complex world. Highly recommended. Stan Davis, author of *Schools Where Everyone Belongs* and *Empowering Bystanders in Bullying Prevention* To be a middle schooler is to believe sometimes that no one can understand what it's like to be in your shoes. Doug Wilhelm's characters show us how that needn't be so, and provide one unforgettable basketball scene along the way. *True Shoes* is testimony to how standing up for others can be more than just the right thing to do. It can set you free. Alexander Wolff, senior writer for *Sports Illustrated* and author of *Big Game, Small World: A Basketball Adventure*.
