

Tender: A Cook and His Vegetable Patch

Filesize: 5.27 MB

Reviews

It is straightforward in read through preferable to fully grasp. It is really simplistic but excitement in the 50 percent of the pdf. Your life span will be enhance once you comprehensive looking at this pdf.

(Jorge Hammes)

TENDER: A COOK AND HIS VEGETABLE PATCH

Ten Speed Press, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Tender is pleasing in so many ways. For cooks it's filled with glorious vegetable-centric recipes, for gardeners it's an insightful and personal story about just how much a garden can mean, and for those who just enjoy reading about food, well, you're going to love getting acquainted with Nigel Slater. -Serious Eats, Cook the Book, 5/23/11 But the crowning glory of "Tender" is Mr. Slater's own prose, even when treating of something as lowly as the autumnal cabbage—each dark-green leaf of which "somehow seems as if it will fend off our winter ills. Elephant ears of crinkled green, sparkling with dew; black plumes of cavolo nero like feathers on a funeral horse, and the dense, ice crisp flesh of red cabbage. Strong flavors indeed." Strong, yes, but also tenderly enticing, as guests at Mr. Slater's latest literary feast will discover." -The Wall Street Journal, Bookshelf, 4/23/11 The best Brit you've never heard of . . . Nigel Slater is who you'd get if you combined Alice Waters with Mark Bittman: a garden-to-table advocate whose goal in life is to make people love fresh produce and cooking because they are gasp fabulous and fun and do not have to be fussy in the slightest. -The Christian Science Monitor, 4/19/11 Engagingly written and showcasing more than 200 full-color photos, this attractive and infinitely useful collection shows how to tastefully incorporate more vegetables into one's diet while providing an informative primer on gardening. -Starred Review, Publishers Weekly, 3/7/11 Nigel Slater's Tender is a rich tale of one man's passion for cultivating, cooking, and eating from the garden. His sensuous and delicious recipes make us want to run right into the kitchen and start cooking. But...
