Industrial Education and Industrial Conditions in Germany, Vol. 33 (Classic Reprint)

By United States Dept of Comm Statistics

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Industrial Education and Industrial Conditions in Germany, Vol. 33 For a better and clearer understanding of what will be presented on the German system of industrial education it has been deemed wise to preface this discussion by a bird s-eye view of the entire system of education in the German Empire. A broad idea of the structure of the system of general education having thus been attained, it will be easier to place correctly the numerous classes of industrial schools, to grasp the system of industrial education in its true relation to the system of general education, and to create in the mind s eye a correct picture of the entire edifice of industrial education, from the lowest continuation and trade schools, its base, to the technical high schools, its crown. In justice to the reader, and to avoid the formation of erroneous conclusions, it must be stated at the outset that the system which will be briefly outlined here is a general type and not a specific form, for in its details the educational...
