

Who Was Booker T. Washington? (Paperback)

Filesize: 7.45 MB

Reviews

Thorough guide! Its this sort of excellent read. It is really simplified but unexpected situations in the 50 % in the book. You are going to like just how the blogger create this publication.

(Prof. Lela Steuber)

WHO WAS BOOKER T. WASHINGTON? (PAPERBACK)

Penguin Putnam Inc, United States, 2018. Paperback. Condition: New. Jake Murray (illustrator). Language: English . Brand New Book. Learn how a slave became one of the leading influential African American intellectuals of the late 19th century. African American educator, author, speaker, and advisor to presidents of the United States, Booker Taliaferro Washington was the leading voice of former slaves and their descendants during the late 1800s. As part of the last generation of leaders born into slavery, Booker believed that blacks could better progress in society through education and entrepreneurship, rather than trying to directly challenge the Jim Crow segregation. After hearing the Emancipation Proclamation and realizing he was free, young Booker decided to make learning his life. He taught himself to read and write, pursued a formal education, and went on to found the Tuskegee Institute--a black school in Alabama--with the goal of building the community's economic strength and pride. The institute still exists and is home to famous alumnae like scientist George Washington Carver.
