COMPLETE THE ART OF INVESTING (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book represents decades of my investing experiences, extensive simulations and summaries of hundreds of books I read on investing. I also found many ideas / strategies from the books I read are no longer applicable in today s market. I include many ideas that work better in today s stock market. It should make you a better investor for advance beginners and fund managers alike. This book will not make you wealthy overnight. With proven, step-by-step techniques to time the market, find and evaluate stocks, it is closer to the Holy Grail in investing. The proven adaptive philosophy is using what work recently in fundamental metrics and stock searches. I also explain why you need to invest for yourself and why a beginner can beat a fund manager due to their required limitations/restrictions and hefty fees. My article for Seeking Alpha, a popular site for investors, could have the best performance from the publish date to one year later for recommending 10 or more stocks. So far, there is no challenge. All the concepts and techniques behind this article are presented in this book. Here are some successful examples among many: I recommended buying Apple at \$57 in my book published in June, 2013 and selling it at \$132 in Feb., 2015. During the fierce correction in August, 2015, I was sure the market would bounce back. Why I was so sure? Since WW2, there was not a single down market in a year right before election. In Jan. 15, 2016, I recommended to buy crude oil as the bargain of the century. This book has over 600 pages (6*9), about the size of two books plus many web articles of..
