

Studies in Matthew (Hardback)

By Ulrich Luz

William B Eerdmans Publishing Co, United States, 2005. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Luz s groundbreaking work ranges widely over the critical issues of Matthean studies, including the narrative structure and sources of the Gospel and its presentation of such themes as Christology, discipleship, miracles, and Israel. Several chapters also outline and demonstrate the hermeneutical methods underlying Luz s acclaimed commentary on Matthew, for which this book can serve as a companion. Luz is particularly conscious of the Gospel s reception history, a history of interpretation connecting us with the past that determines so many of our questions, categories, and values. Studies in Matthew thus constitutes a noteworthy contribution to biblical hermeneutics as well as to exegesis.
