Digireads.com, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Contained within this volume are some of the best of O Neill s early one-act plays, which foreshadowed the longer plays that have given this dramatist his most enduring fame. Beyond the Horizon was the first of O Neill s three Pulitzer Prize-winning plays. It follows the disappointed dreams of two brothers on their family farm. The Emperor Jones is an expressionistic transformation of a black man named Brutus Jones. In fleeing from his rebelling subjects in the West Indies, Jones is taken back to his racial past and undergoes a night of personal destruction. In Anna Christie, we find a drama focusing on the relationship of a young woman and her sailor father, who has not seen her for twenty years. As their story unfolds, Anna s troubled romantic past comes to light, and the hardships of women during that time period become as apparent as the power of forgiveness and love. In the final play in this collection, The Hairy Ape, a ship s fireman becomes disillusioned concerning the work he performs in a society that is quickly industrializing and taking a heavy human toll.
