Random House USA Inc, United States, 2000. Paperback. Condition: New. Language: Spanish . Brand New Book. Available in Spanish for the first time in the United States. From Rosario Ferre (nominated for the National Book Award for *The House on the Lagoon*), her first work of fiction, long out of print in any edition, in the original Spanish and including a previously unpublished story and two poems. *Papeles de Pandora* contains the stories that first brought Rosario Ferre to the attention of Spanish-language readers throughout the world. In this collection, Ferre introduces her major theme: the position of women in a fast-changing but still patriarchal culture. In *La muñeca menor* (*The Youngest Doll*), a maiden aunt uses her skill at making honey-filled dolls to get revenge. *La bella durmiente* (*The Sleeping Beauty*), recounts the brief life of a young dancer through letters and newspaper clippings that reveal much more than they say. And in *Cuando las mujeres quieren a los hombres* (*When Women Love Men*), a society lady and a prostitute form a startling alliance after the death of the man they both loved. Richly imagined, elegantly written, Ferre s stories are early proof of her stature among contemporary Latin American writers.
